

Help with opioid use begins here.

WA TELEBUPE
HOTLINE

Call or text 206-289-0287
9am to 9pm, every day

Buprenorphine (aka bupe, Suboxone) treats opioid withdrawal and cravings safely for people 13 and older, including pregnant people.

Call or text the WA Telebupe Hotline to speak to a provider for free, find out if bupe is right for you, and get a prescription quickly.
